Building Leaders through Education & Service

North Texas Sister2Sister (NTXS2S) supports and encourages young women to value leadership development through education and community service. To support this mission, NTXS2S believes higher education is the foundation for individuals to meet their potential of becoming effective leaders within our communities. We want to help YOU achieve those life goals.

Each year North Texas Sister2Sister works to provide financial assistance to young ladies seeking professional development through higher education. We are offering a **\$500** Leadership, Education & Service Scholarship to a qualifying student who is enrolled in college or plans to attend college during the **XXXX-XX** school year. This scholarship provides funding towards tuition, fees, books and other education materials.

3. Must be enrolled or plan to attending college in XXXX-XXXX school year. This scholarship is for new enrollees and continuing undergraduate college students.
